Greetings !

Dear Parents,

We totally get how confusing it has been for you to figure out the books for the new curriculum. As we have introduced theme based and integrated curriculum in LPD from this year . We request you to kindly take a minute and go through the below 📬 message:

We welcome you to the exciting world of learning and fun with Oxford Advantage, Little Champs. Oxford Advantage ,Little Champs is an integrated learning programme, providing schools with a comprehensive theme-based curriculum supported by theme plans, weekly plans and teacher training. Oxford Advantage, Little Champs is designed to provide a holistic experiential zone in initial years of the learner. Oxford advantage , Little Champs has three levels :

Beginner (Nursery) .

Level 1 (LKG or KG-I) .

And Level 2 (UKG or KG-II) .

The curriculum in Oxford advantage provides engaging and enriching experiences to build on the prior knowledge of the learners, who, then, create their own knowledge by immersing themselves in the themes that are interwoven across subjects. The aim is to start from concrete experiences and find a way to more abstract ideas. The curriculum or syllabus in **Oxford Advantage, Little Champs Beginner (Nursery Class) has four themes i.e. it's a set of Four theme Books and music medley , art and craft and one workbook** and the curriculum in Oxford Advantage, Little Champs **level 1 (LKG or KG-I Class) and level 2 (UKG or KG-II) has six themes i.e. it's a set of six books and music and art and craft and one workbook.** Each theme book has components from **English, Mathematics, General Awareness (E.V.S) and Art & Craft.** Each book is supposed to be taught for a specific time i.e. we have bifurcated the syllabus of six books in 8 months time frame and that will be timely informed to you by the concerned departmental in-charges via detailed day planner or timetable.

The book set consists of for class UKG or KG-II :-

6 theme books

(Book 1 :- Shapes And Colors

Book 2 :- All About Me

Book 3 -Plants and Animals

Book 4 :- Food

Book 5 :- Holiday

Book 6 :- Weather)

1 Medley Magic

1 art and craft

1workbook.

The workbook is specially designed for evaluating the kids . Apart from Oxford theme books our curriculum consists of books for the subjects : Urdu and Hindi.

Kindly note that there is no book for physical education ,arabic.The Oxford advantage Little Champs consists of the writing practice as well , incase any students will be facing writing issues we will providing them remedial work . Kindly note that in order to lessen the burden of students we are not providing them any homework , However they can keep a three in one notebook at their home for doing the writing practice.
