SOLVED ASSIGNMENT

Dear students,

Wishing you all a delightful winter break filled with joy, relaxation, and memorable moments with loved ones. May you return refreshed and ready for a successful new academic year!

GENERAL INSTRUCTIONS FOR OUR DEAR STUDENTS:

1. Do thorough and comprehensive reading of the chapters.
2. Underline the difficult words and practice them on your rough notebook.
3. Understand the chapters properly as questions will be asked within the chapters.
3. Prepare question answers, book work, and difficult words of the given chapters.
4. We would like to suggest a time -saving approach for your learning. Instead of maintaining notebook, prepare a chapter from notes and practice it on your rough notebook to enhance your memory and for improvement of your handwriting. Students are instructed to maintain notebook for maths only.
5. Take the time to rest and rejuvenate. Catch up on sleep, relax, and allow your mind and body to recover from the academic demands.
6. Use this break to reflect on your achievements and challenges from the past semester. Set realistic goals and make a plan for the upcoming semester.
7. Incorporate physical activity into your routine. Whether its winter sports, or just a brisk walk, staying active is essential for both physical and mental well-being.
8. Enjoy reading books that interest you, unrelated to your academic subjects. It's a great way to unwind and expand your knowledge.

9. Consider learning a new skill or refining existing ones. This could be related to your studies, hobbies, or even a practical life skill.
10. Spend quality time with family and friends. Social connections are crucial for mental health, and the break provides an excellent opportunity for bonding.
11. Take a break from excessive screen time. Limit social media use and focus on activities that don't involve electronic devices.

Remember, balance is a key. Enjoy your winter break while being mindful of your overall well-being and preparing for the challenges ahead.

GENERAL INSTRUCTIONS FOR PARENTS:

1. Parents should be actively engaged with their child during the assignment, offering support, guidance, and feedback.
2. Emphasize the importance of creativity and original thinking. Encourage students to express their ideas in unique ways.
3. During winter vacations, parents play a crucial role in creating a balance between relaxation and engagement for their children. This can involve planning fun activities, fostering learning opportunities, and ensuring a supportive environment for family bonding.
4. Parents can assist their children with winter assignments by providing a structured and supportive environment.
5. Establish a consistent study routine to help your child manage their time effectively.
6. Designate a quiet and well-lit area for studying to minimize distractions.
7. Ensure your child understands the assignment guidelines and requirements. Offer guidance if they are unclear about any aspect.
8. Help your child access relevant resources, whether it's books, online materials, or other references related to the assignment.
9. Teach effective time management skills to ensure your child allocates sufficient time for research, drafting, and revising.
