

Art exhibition Cum Food Fest 2022

Greetings from DGIS

Our school is going to conduct Art Exhibition Cum Food Fest , that will be featuring the art work of students as we believe to bring forth the innate skills and hone the creative genius of the students. The exhibition will provide the right platform for the students to display the varied and beautiful art work prepared by them . Students will also unveil their culinary skills that will be sold by the kids themselves to develop the sense of *selling and buying*. In this regard you are requested to provide your ward with amount from **Rs. 50,100 to 150** if they wish to buy the food items prepared by the kids . (It is not mandatory you can give them money by your own wish) .

We will be joined by some great artist in Kashmir who will guide our little buds in their work. It will improve the creativity idea of our students and allow them to think beyond.

Best wishes
