

How to apply for Bangladesh Tourist Visa?

The process of visa application is majorly online. You will have to get the Bangladesh tourist visa application form and submit it following certain consecutive steps. The step by step procedure for this visa is given as follows:

1. Apply online by filling out the online visa application form on the official website.
2. Attach 2 passport size photos to the application form.
3. Provide a valid passport.
4. Confirmed flight tickets (both to and from tickets if the visa is short term).
5. Submit the form along with the scanned copies of the required documents to the Bangladesh mission.

The respective mission will process your documents after the completion of the above procedure. Later, your passport with the visa stamp can be collected from the embassy by yourself or your visa agent.

When filling the form, you need to ensure that you render the information correctly and appropriately. There are chances that with wrong or incorrect data, you may have to go through visa rejection. Such an incidence can even affect your further visa applications.
