### Infancy(Toddler)

A Period From Birth To 2 Years, Dealing With These Children Is To Ensure Them All The Motherly Support Which They Usually Get From Their Mother Or Any Special Carer Of Home. Since They Are Dependent For Their Needs And Have To Develop Trust On Strange Carers. Our Trained Teachers Develop Close Intimacy With The Children. They Provide The Protection, Affection And Gratify Those Basic Needs Of Child So That The Child Perceives That The World Is Dependable And A Safe Place For Existence. We Make All The Possible Efforts To Gain Their Trust And Develop Their Sensori-Motor Skills Through Senses And Physical Development.

**Early Childhood (Pre-Nursery)** A Period From 2 To 3 Years. As Children Of This Age Are Active In Exploring And Experimenting They Are Allowed To Do What They Are Capable Of Doing At Their Own Pace And In Their Own Way Under The Supervision Of Teachers Which Makes Them Autonomous. Children Are Given Proper Toilet Habits With Love And Affection. Our Curriculum Helps Them In Gaining Their Social, Emotional, Language, Physical And Cognitive Development.
